Cable cutters, Knipex

Description

This cable cutter is suitable for cutting Cu and Al cables, single- and multi-stranded (not suitable for steel wire and hard-drawn copper wire). These shears have hard and precision-ground cutting edges. It cuts neatly smoothly without deforming. The fitter can easily operate the cable shears with one hand. The shears have a clamp protection and an adjustable screw joint. The cable cutter is made of special tool steel, which is hardened and tempered in oil. The handle is made of plastic and is comfortable to hold.

Brand

Knipex

General information

Material pliers	Tool steel
Material handles	Plastic
Length	165 mm
Weight	250 g
Cutting value Cu cable, multiple stranded	15 Ø mm
Cutting value Cu cable, multiple stranded	50 mm ²
AWG	1/0
