Tube Stripper, 0 - 3.2mm, grey, Ideal

Description

The IDEAL tube stripper is a commonly used stripper that should not be missing from a fibre optic technician's suitcase. The stripper is made of a sturdy but lightweight material. In addition, the blade is easy to adjust for the right cable. This makes the stripper very user-friendly. This stripping tool can be used for cables with a diameter between 0 and 3.2 mm.

Brand

Ripley Miller
