

M00000990

DIN Rail, 12-way, OM3, SC/PC, duplex, complete, grey

Description

This DIN Rail box is made of metal and has space for 24 different SC/PC duplex OM3 adapters. This fibre optic box is suitable for mounting in places where space is limited. The box is made to be attached to a DIN rail. This DIN Rail box is supplied complete, which means that the box contains pigtails and is suitable for immediate use.

Brand

Maunt
