

## M00001024

### Cable precision cutter, MB02, 5.0-12.0mm, Ripley Miller

#### Description

This cable precision cutter MB02 from Ripley Miller is a multi-purpose tool designed to make precise ring and longitudinal cuts on cables up to 12mm in diameter. The safe, compact and ergonomic design fits comfortably in the hand and ensures easy use without risk of injury. This fibreglass tool is set at the factory, so no further adjustments are required before use. The cutter's blades are robust and precision ground.

#### Brand

Ripley Miller
