Cable stripper, 400-kit, 1.8/2.2/2.5/3.0/3.3mm, Ripley Miller

Description

This handy cable cutting kit from Ripley Miller (400-kit) is specially designed to cut 1.8 mm, To strip 2.2 mm, 2.5 mm, 3.0 mm and 3.3 mm draka cables. As a result, this tool is also called the draka pliers or cable splitter. The stripper comes with housing, several guide blocks and replacement blades. The double blades of the draka pliers easily cut through the sheath (lengthwise) and ensure a precise depth of cut. Can also be applied when making a window cut.
