FS Drop off, 100mm UDF-100, RAL1023, Wibe

Description

Wibe's FS Drop off, yellow cable tray is designed for optimal cable organisation and is ideal for use in data centres. Measuring 90 mm in width, 100 mm in height, this cable tray provides ample space for all your cabling needs. Made of high-quality coated steel, this cable tray guarantees durability and excellent corrosion resistance. This tray is specially made to allow cables to rise vertically in data centres. Its closed construction protects your cables from dust and dirt, keeping your cabling neat and orderly remains.
