FS Straightening 200 H=110 L=3m, RAL1023, Wibe

Description

FS Straight Wibe yellow cable tray is designed for optimal cable organisation and is ideal for use in data centres. With dimensions of 100 mm in width, 110 mm in height and a length of 3000 mm, this cable tray provides enough space for all your cabling needs. Made of high-quality coated steel, this cable tray guarantees durability and excellent corrosion resistance, making it suitable for any data centre. The closed construction protects your cables from dust and dirt, keeping your cabling neat and orderly.
