FS Fallback 200, H=110, RAL1023, Wibe

Description

Wibe's FS Fallout is a yellow cable tray designed to provide optimal cable organisation and is particularly suitable for use in data centres. With dimensions of 200 mm in width and 110 mm in height, this cable tray provides enough space to meet all your cabling needs. Manufactured from high-quality coated steel, this cable tray guarantees durability and excellent corrosion resistance. This cable tray is specially designed to facilitate cables as they rise and fall in data centres. Its closed construction provides protection against dust and dirt, keeping your cabling clean and orderly.
