

The MAUNT logo is displayed in a bold, orange, sans-serif font against a black rectangular background.

M00002472

Patch panel, 24 port SC simplex/LC duplex, empty, black

Description

This extendable patch panel features an E2000 front panel with openings and back plates. Inside is a central pin, which is used as an attachment element for Splice cassettes. They can be easily opened with a pair of plastic fasteners. The extended patch panel hangs at a 40-degree angle and is easily accessible to serving staff.
